

Workshop 2005
Leading the Way

Saturday's Children's Workshop Information

1. Includes an outdoor field trip (on site) at the North Vancouver Outdoor School in the morning and lessons on water, sustainability and stewardship. There will be a workshop in the afternoon with Peter Donaldson of the "Salmon People" guiding the students to learn a short play around the theme of sustainability, which will be performed that same evening before dinner at Totem Hall.
2. A minimum of four staff, including classroom and environmental educators will help participants find many ways to enjoy their day at the workshop.
3. Bring your children anytime after 8:30 a.m. on Saturday. Workshop hours are from 9:00 a.m. until 4:30 p.m., except for lunch break. The students will return to meet up with their parents for lunch break.
4. Be sure to fill out the Children's Workshop section of the registration sheet. Space is limited to 25 children and the program is designed for ages 6 to 12 years. Thank you.
